

Hawai'i Homeowner Assistance Program – Become a Participating Servicer

To Whom It May Concern,

I am writing as a homeowner and borrower who has a mortgage with your company, to request for you to become a participating servicer of the Hawai'i Homeowner Assistance Fund.

The Hawai'i Homeowner Assistance Fund provides grants of up to \$30,000 to assist homeowners on Hawai'i Island and Kaua'i who are in financial hardship to help pay past due mortgage or reduce monthly payments. Funding is currently limited to homeowners who have loans with participating mortgage servicers. The program has \$5 million in initial funding, but the program will expand to homeowners statewide in 2022 with funding increased to \$50 million. The program plans to serve more than 1,500 homeowners with Homeowner Assistance Fund grants.

According to the program website, your company is not a participating mortgage servicer in the Hawai'i Homeowner Assistance Fund.

The process to become a participating servicer is simple and easy. You can find more information at www.HawaiiCommunityLending.com/grants-loans/ under **Become a participating servicer**.

By becoming a participating servicer, you will provide my family and your company access to grants that will not only benefit both of us but will also give opportunity to other homeowner borrowers who have mortgages with your company.

Please consider becoming a participating servicer in the Hawai'i Homeowner Assistance Fund.

Thank you for your time and consideration.

Sincerely
