Re: Request for Forbearance on Mortgage Loan

Dear

You are the servicer of my mortgage loan on the property located at [property address]. My loan number is [1234567]. My home was impacted by wildfires in Maui, Hawaii. On August 10, 2023, President Biden signed a Major Disaster Declaration DR-4724-HI for the state. As a result, my home loan is subject to forbearance protections pursuant to the [federal guidance issued August 11, 2023](#).

I attest and affirm that I am experiencing hardship caused by the Maui Wildfires and request forbearance on my mortgage loan under this federal guidance. If I am in a current forbearance plan, I request an “extension exception” on my existing forbearance plan.

I understand that I may shorten the forbearance period at any time and that I may request additional assistance at the end of this period.

Please confirm that you received my request for forbearance on my mortgage loan. I appreciate your help during this difficult time.

Sincerely,
